Police intervene on illegal groups in Laga, Baucau

10 March 2014

Belun's *Early Warning, Early Response (EWER)* monitoring on the security situation and incidents relating to the implementation of Government Resolution No. 5/2014 reported that PNTL in Baucau attempted to enter the bases of *CPD-RDTL* and *Revolutionary Council of Maubere (KRM)* in Lalulai (Laga sub-district, Baucau) and lower their flags. In the process, an officer within the Special Police Force Unit was reportedly injured by a molotov cocktail (handmade grenade) thrown by group members.

EWER monitoring has also verified that members from both groups blocked the roads into Lalulai. As a result the ambulance dispatched to transport the injured police officer to the hospital was not able to pass through. Belun will continue to monitor closely and provide updates through the *EWER* system.
